### Maybank Indonesia in Brief

# From bij Maybar

# Maybank

A sign of change to become bigger, stronger, and better in providing financial services across ASEAN.

We are proudly announcing our identity as part of Maybank Group. As a leading bank in South East Asia, Maybank Group is a truly ASEAN bank that owns an asset of USD 176 billion and is supported by more than 2.400 branch offices in more than 19 countries with more than 46.000 banking experts that are ready to serve the banking needs of more than 22 million customers in many countries.

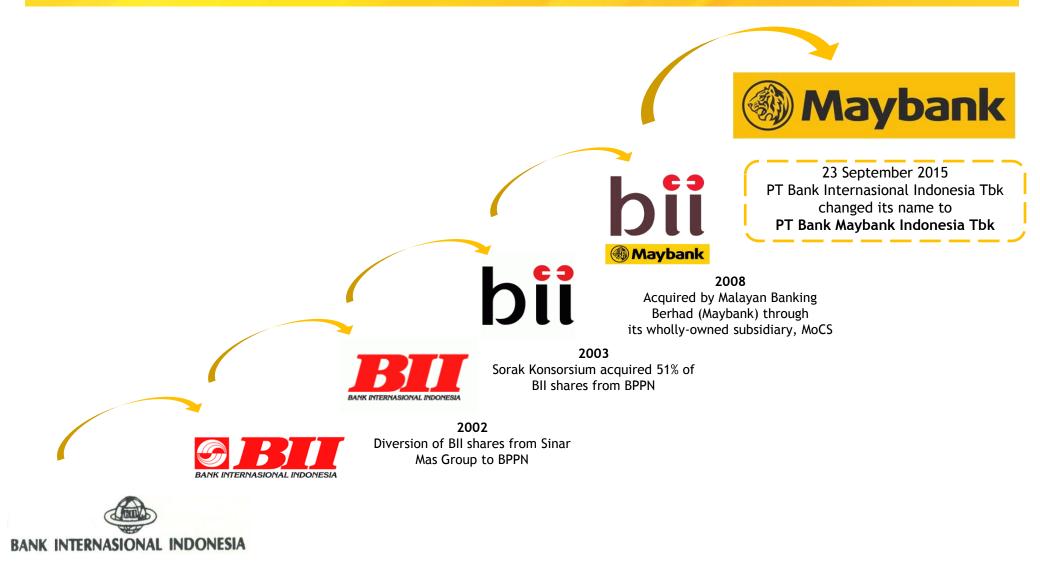

Maybank brings all of its qualities to become part of Indonesia, serving with honesty and fairness. We make banking more than just transactional.

Our mission: Humanising Financial Services.

Registered and supervised by OJK.

### Logo Transformation of Maybank Indonesia

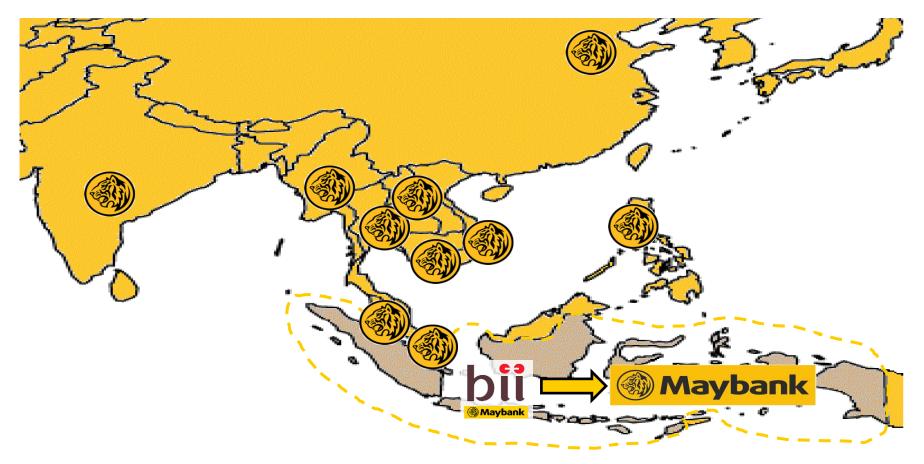

\_\_\_\_\_

As one of the Maybank Home Market, Indonesia also plays important role in ASEAN

Since 2008, BII has benefited with financial support, regional & international network and synergy of Maybank products & services. As survey in 2014 by Brand Finance, using Maybank brand is more valuable and favorable to our business. Using single identity, as Maybank Indonesia, will fortify our brand recognition including in Indonesia.
