-------------------------	---

#### Notes

- 1) Product List, and bond offering prices shall be subject to change at any time. For the updated bond offering price information, please contact Global Markets & Treasury Maybank Indonesia via email [GlobalMarketsStaff@maybank.co.id](mailto:GlobalMarketsStaff@maybank.co.id).
- 2) If the Coupon/Return payment date or Bonds Maturity does not fall on a Bank business day, then the Coupon/Return payment will be made on the following business day.

#### BENEFITS

##### 1. **Has a competitive Coupon/Return rate and is paid every six months.**

Generally, the Coupon/Return offered shall be higher than the average rate of Coupon/Return on conventional savings.

##### 2. **The Customer receives passive income from his investment.**

The Customer can receive passive investments periodically in the form of Coupon/Returns/returns that will be paid directly to Customer's account in the amount as determined in the beginning within the agreed period. The Coupon/Return for all FR series has been stated at the time of initial purchase and shall be fixed.

##### 3. **FR is a safe investment because it is guaranteed by the Government.**

The Government of the Republic of Indonesia guarantees the payment of Coupon/Return and principal according to the validity period for the type of Bonds issued by the Government according to Law No. 24 of 2002.

##### 4. **The Customer wishes to get capital gain from potential price increases according to market movements.**

FR can be bought/sold to the Secondary Market at any time. Customer may obtain profit from the selling price of FR if it is sold at a higher price than the acquisition price when the Customer purchases FR.

#### Advantages of Bonds Transactions at Maybank

##### 1. **Facilitate the Bonds Trading Process in the Secondary Market**

Customer may make purchase and sale transactions of bonds through Maybank branches and/or via the Maybank Website or M2U Application.

##### 2. **Safe investment**

FR is a safe investment because the Government of the Republic of Indonesia guarantees the payment of Coupon/Return and principal according to the validity period for the type of Bonds issued by the Government in accordance with Law No. 24 of
