Notes

- 1) Product List, and bond offering prices shall be subject to change at any time. For the updated bond offering price information, please contact Global Markets & Treasury Maybank Indonesia via email GlobalMarketsStaff@maybank.co.id.
- 2) If the Coupon/Return payment date or bonds maturity does not fall on a Bank business day, then the Coupon/Return payment will be made on the following business day.

BENEFITS

1. **Has a competitive Coupons/Returns rate and is paid every six months.**

Generally, the coupons/returns offered shall be higher compared to the average interest rate on conventional savings.

2. **The Customer receives passive income from his investment.**

The Customer can receive passive investments periodically in the form of Coupon/Returns that will be paid directly to Customer's account in the amount as determined in the beginning within the agreed period. The Coupon/Return for all ORI series has been stated at the time of initial purchase and shall be fixed.

3. **ORI is a safe investment.**

The Government of the Republic of Indonesia guarantees the payment of Coupon/Return and principal according to the validity period for the type of Bonds issued by the Government according to Law No. 24 of 2002.

4. **The Customer wishes to get capital gain from potential price increases according to market movements.**

ORI can be bought/sold to the Secondary Market at any time. Customer may obtain profit from the selling price of ORI if it is sold at a higher price than the acquisition price when the Customer purchases ORI.

Advantages of Bonds Transactions at Maybank

1. **Facilitate the Bonds Trading Process in the Secondary Market**

The Customer can make bonds transactions through Maybank branches and/or via the M2U ID App (mobile banking), or Maybank Corporate Website.

2. **Safe investment**

ORI is a safe investment because the Government of the Republic of Indonesia guarantees the payment of Coupon/Return and principal according to the validity period for the type of Bonds issued by the Government in accordance with Law No. 24 of 2002.

3. **Enjoy passive income paid periodically**

the Customer obtain periodic passive income in the form of Coupon/Return that will be paid directly to Customer's account in accordance with the rate of Coupon/Return for each series. The
